Dear Parents and Carers,

Schools' COVID 19 responses have been in the news again a lot this week, with discussions around the use of bubbles and self-isolation. There has not been any change to the current guidance and we will always refer to Public Health advice if we have a positive COVID case in school.

We are starting to look forward to September and what that might mean for school, we now have several models that we can implement depending upon the current guidance. However, we hope to be able to welcome pupils back in September to a fully open school.

This week we ran training for staff on Rebound therapy using individual trampettes. We are incredibly enthusiastic about it and we look forward to being able to use it as a positive intervention with pupils.

Thank you to those of you who have already filled out the parents and carers questionnaire, if you haven't there is still a week to complete it.

Thank you for your support,
Stuart

Safeguarding

Welcome back to our Safeguarding section.

This week, I would like to share with you a service that aims to support parents and anyone aged 18+ to improve mental and physical wellbeing:

The service offer a range of excellent workshops as listed below alongside a self-referral system for more individualised support.

TALKWORKS Free Workshops
TALKWORKS have a range of free workshops for anyone aged 18+.

TALKWORKS for Sleep: A two-hour session to help people manage a range of sleep problems from waking in the night to struggling to fall asleep.

Stress Less with TALKWORKS: A two-hour session introducing people to a range of Cognitive Behavioural Therapy (CBT) techniques to help them manage their day to day wellbeing in the current times.

Wellbeing for Parenthood Workshops: A two-hour workshop for parents during pregnancy or who have a child under the age of 2 years old.

TALKWORKS Introduction to Mindfulness: A one hour 15-minute online session on the potential for mindfulness to help manage stress, anxiety, low mood and pain.

Find out more and book a place here:

Other News:

- Sharing Information with school

If your child travels to school on a bus or taxi and you have important information to share such as medical updates, dietary needs or personal care information, please ensure that this is shared directly with school staff. Please notify school via the home school book or a phone call directly to school. This helps us to ensure that key information is passed accurately to class teams. We ask that transport staff are not asked to pass information between home and school.

As always, if you would like to discuss any of the above information or you have a safeguarding concern, please do not hesitate to get in touch.

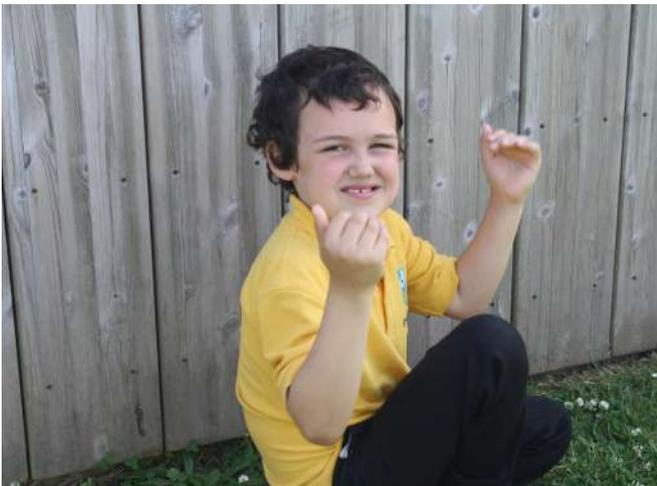

Adam James

Deputy Headteacher - Safeguarding Lead

Musical events @Pathfield School

This week Jack Roberts, our former Pathfield student, and his enabler, Nick Wyke and Bekki Driscoll came into school on Friday morning to perform.

They first visited our Pathways classes in the Discovery Centre and then performed at the Middle playground under bandstand with one Key Stage bubble and online TEAMS broadcast for the rest of the school.

Parent / Carer Questionnaire

Please could you spare 5 minutes to fill out our latest parent/carer questionnaire, as we would really like to get your feedback on a range of issues. You can scan the QR code below on a mobile device, use the link <https://forms.office.com/r/QjjXX2XZD9> or find the link on our website. Closing date for the questionnaire is Friday 9th July. Thank you!

Lifeworks—short breaks in the school holidays

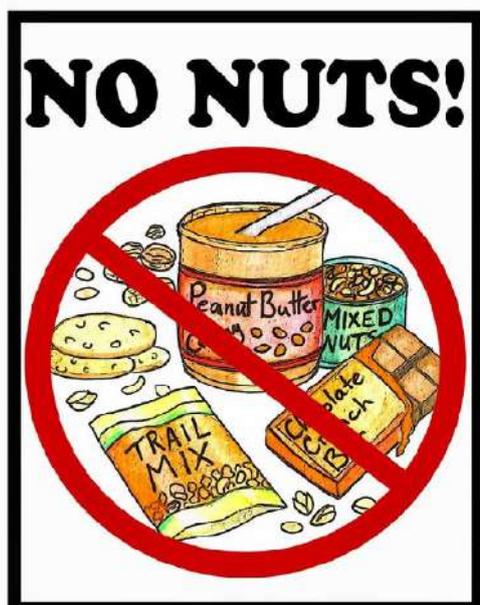

lifeworks
Learning disability champions

Lifeworks Holiday Programme is for young people age 11-18 with Learning Disabilities (LD). It's FREE for young people with LD age 11-16 who have free school meals. You can come for one, two, three or four weeks - it's up to you.

[Visit the Lifeworks website for more information](#)

We are a Nut Free School

Just a reminder that we are a Nut Free School. We ask for parent's / carer's help in making appropriate choices for their children's snacks and lunches. Please do not bring to school anything that includes nuts as we have a number of children and staff who have severe nut allergies. This includes chocolate spreads, e.g. Nutella.

Thank you for keeping our school safe.
