Are there any barriers to engagement with the HAF? What support could we offer?	

The Nurture in Nature HAF programme comprises of a mindfulness programme, physical activities and cookery sessions.

If you feel that there is anything we need to be aware of to support the child you are referring in these sessions please let us know here. It would be helpful to be aware of triggers, behaviours, signs we could look out for in the sessions and ways to best support. Please also highlight any barriers of engagement with the physical activities / cookery sessions and ways to manage these.
