

3 Year Strategic Plan

To have a clear sequential and mapped curriculum for all subjects that meets the needs of all learners.

To develop a model for Pathways that offers high quality education within a sustainable budget and premises.

To continue to improve communication with parents, expanding the methods of communication and focusing on the educational progress made.

Community engagement – Opportunities to develop Out-reach and In-reach support to local schools are explored, working alongside the Sentient Trust and LA.

Governors have clear and accessible information.
