Dear Parents, Staff and Governors,

Following the informal consultation on the reduction of places at Pathfield School, the Governing Body have taken the decision to pause the current process. This is to allow additional time to review and consider the responses fully, before committing to the next formal consultation stage.

The outcome of this review will be shared in line with the statutory processes and it is hoped that this will be before the end of the spring term. This would allow a formal consultation to be completed by the end of the academic year.

Yours Faithfully,
